

AGREEMENT BETWEEN RED DEER MINOR HOCKEY & PARENT(S)

The 2010-2011 Hockey Season is fast approaching. Red Deer has enjoyed great minor hockey success over the past season and anticipates seeing several players continue their hockey careers beyond Midget. A successful season is achieved as a result of hard work and dedication of players, parents and volunteers. Coaches, managers, parents and the Red Deer Minor Hockey Board of Directors dedicate countless hours to our program. The success and organization would not be possible without the coordinated efforts of our paid staff, who strive to make both you and your child's minor hockey experience a memorable and positive one.

Red Deer Minor Hockey continues to make our tryout/evaluation systems better. Our tryout procedures will continue to be similar to past years. We continue to make positive modifications to our processes, thus enhancing your minor hockey experience. Red Deer Minor Hockey realizes that complete satisfaction from every parent and child within our system is not possible, but has set a goal to achieve to highest possible approval rating. Changes and improvements are continually being sought and implemented to improve upon discrepancies.

Tryout times and groups will be posted on our website under the TRYOUT/EVALUATION link on www.reddeerminorhockey.com. Elite team groupings will be posted in mid August and Houseleague teams will be posted in early September, once the majority of the Tryouts sessions have taken place. There will be **NO** appeal or further discussion tolerated after any team has been drafted or at any time during the process. This must be strictly adhered to for the process to work the way that it is intended. By signing the Registration Form you and your child agree to abide by all Rules and Regulations of Red Deer Minor Hockey. Failure to adhere to these rules could result in disciplinary action and/or immediate release from the Association's Membership.

We are confident that Red Deer Minor Hockey's position in the hockey realm will continue to grow stronger and that our system will instill confidence and adoration. Our goal is to place kids in a positive environment, while making lifelong friends, establishing respect, developing talents and most of all, having fun from the five year old program through to the last year of Midget. Hockey not only develops hockey skills, but also prepares the participants for life after minor hockey.

Thank you in advance for your part in making Red Deer the best place to learn, teach and play hockey.

Board of Directors
Red Deer Minor Hockey

2010-2011 Coaching Applications are due May 31, 2010
